HONORABLE RONALD J. HEDGES
United States Magistrate Judge

UNITED STATES DISTRICT COURT
DISTRICT OF NEW JERSEY

IN THE MATTER OF THE APPLICATION : Mag. No. 92-61086-0
OF THE UNITED STATES OF AMERICA :
FOR AN ORDER DIRECTING THE NEW : Hon. Ronald J. Hedges
JERSEY BELL TELEPHONE COMPANY TO :
PERFORM A TERMINATING TAPE EDIT :
WITH RESPECT TO TELEPHONE :
FACILITY (201) 645-3030 : APPLICATION

FILE COPY

The United States of America (Michael Chertoff, United States Attorney for the District of New Jersey, by Dyana Lee, Assistant United States Attorney), hereby applies to the Court, pursuant to the provisions of 18 U.S.C. § 2703(c) and the All Writs Act, 28 U.S.C. § 1651, for an order directing the New Jersey Bell Telephone Company, a provider of electronic communication service, to retrieve and disclose certain information from its records system pertaining to telephone number (201) 645-3030. This application is based upon the following facts:

1. An agent of the Federal Bureau of Investigation has reported to me that between the hours of 5:15 p.m. on July 8, 1992 and 7:30 a.m. on July 9, 1992, a threatening telephone call was made to the office of United States Senator Frank R. Lautenberg, One Gateway Center, Newark, New Jersey, (201) 645-3030, and recorded on the office's telephone answering machine. The nature of the threatening telephone call indicates a possible violation of 18 U.S.C. § 115, threatening to assault a United States official.

2. The telephone answering machine has a prerecorded message which pronounces that the caller has reached the office of Senator Lautenberg. In the subject call, which occurred between the hours identified in paragraph 1 above, an unidentified male voice, using profanity and racial slurs, placed a message on the answering machine stating, among other things, that he would not allow his gun to be taken away from him. The caller further stated that "you are going to have to explain yourself to me because I am going to fucking meet you and you are going to fucking pay for it".

3. The subject telephone number (201) 645-3030 is subscribed to by the United States Government, Federal Agency, Federal Square Courthouse, Newark, New Jersey, 07101.

4. Representatives of the New Jersey Bell Telephone Security Department have advised Special Agents of the FBI that the telephone company has the technical capability of retrieving telephone data in order to identify the origin of a particular call which is placed to a known telephone facility within a specific time period. The telephone company will not, however, perform that search and retrieval operation nor disclose the resulting information without a court order.

5. Special Agent Melinda Anderson of the FBI has advised that the identity of the person(s) who made the threatening telephone call is not likely to be determined through alternative investigative means without ascertaining the identification of the telephone facility from which the call was

made between the hours of 5:15 p.m. on July 8, 1992 and 7:30 a.m. on July 9, 1992.

6. Consequently, there are reasonable grounds to believe that the records and information sought are relevant to a legitimate law enforcement inquiry, that the only available method by which to learn the identities of the callers in the most expedient manner possible is by use of the retrieval technique specified herein and, indeed, that time is of the essence with respect to the use of this investigative lead.

7. This covert investigation is continuing, and premature disclosure of the existence of the investigation could jeopardize its effectiveness and the safety of Senator Lautenberg.

WHEREFORE, the United States requests that this court grant an order pursuant to 18 U.S.C. § 2703(d) and the All Writs Act, 28 U.S.C. § 1651:

a. directing the New Jersey Bell Telephone Company to forthwith perform a "terminating tape edit" for all incoming calls over telephone facility (201) 645-3030 for the period July 8, 1992, 5:15 p.m. to July 9, 1992, 7:30 a.m.; and

b. directing the New Jersey Bell Telephone Company to promptly provide the telephone numbers resulting from the "terminating tape edit" and the corresponding subscriber information to Special Agents of the FBI; and

c. pursuant to 18 U.S.C. § 2706, directing that the Federal Bureau of Investigation compensate the New Jersey Bell

Telephone Company for reasonable expenses incurred in conducting the "terminating tape edit" and providing the aforementioned information; and

d. pursuant to 18 U.S.C. § 2705(b), directing that the New Jersey Bell Telephone Company (and its agents, employees, and representatives) not disclose the existence of the "terminating tape edit," this Application and Order, or the existence of the investigation to the listed subscriber, or to any person, unless or until otherwise ordered by the Court; and

e. directing that, with the exception of copies of this Order necessary for its implementation, this Order, the application upon which it is based, and all other papers related to the application be sealed unless otherwise ordered by the Court.

I certify under penalty of perjury that the foregoing is true and correct to the best of my knowledge.

b7CDate of transcription 8/3/92

On July 27, 1992, [] was interviewed at his residence, [] by Special Agents (SAs) [] and [] of the FEDERAL BUREAU OF INVESTIGATION (FBI).

[] was advised of the identities of the interviewing agents through a display of credentials. Thereafter, [] provided the following information:

[] was provided the opportunity to listen to a tape recording of a telephone call made to United States Senator FRANK R. LAUTENBERG on July 8, 1992. The telephone call contained several threats made to the Senator. []

Upon hearing the beginning of the tape, [] stated "It's me" and then stated "If I did it I must have been drunk". [] continued and stated he had a "feeling that he must have been watching television and drinking beer and saw something that set me off".

[] was again provided the opportunity to listen to the tape in its entirety. [] conceded that it was obvious he was angry and that his statements were threatening in nature, but he never intended to follow through.

[] advised he was probably drinking that evening and he made the call while alone. [] stated he was probably just "drinking beer by myself" and got real drunk. He could not recall, specifically, what he may have been watching on television that may have upset him.

[] stated he does not recall looking up the telephone number.

[] became visibly upset and shaken while listening to the tape, holding his head in his hands. [] stated he had no intentions whatsoever to carry out any type of a threat against the Senator. He did not make any plans to "meet" with the Senator, as referenced in the tape recording.
